

ExperTox Recognized With The 2009 Pinnacle Award for Excellence By the Better Business Bureau

Deer Park, TX – May 20, 2009 – ExperTox, a Houston-area toxicology laboratory, along with other honored recipients were presented the 2009 Pinnacle Award for Excellence by the Better Business Bureau (“BBB”) during a ceremony at the Intercontinental Hotel, Houston, Texas on May 6, 2009. The BBB Awards for Excellence recognize businesses and non-profit organizations in the Greater Houston Area for their achievements and commitment to overall excellence and quality in the workplace.

“We are honored to receive such an esteemed recognition from the BBB”, stated Loretta Anderson, President and CEO of ExperTox. “We know that the drug and alcohol, forensic and other toxicology testing services we provide impact people’s lives, from safety to health and well-being initiatives to providing criminal evidence. Our personnel know how critical quality testing and accurate answers are to employers, schools, parents, and governmental entities such as the court systems and Child Protective Services. Being recognized for our efforts is rewarding.”

About ExperTox

ExperTox is the Greater Houston Area’s single source laboratory solution for toxicology testing services, including drug and alcohol testing; poison and toxic substance testing; forensic toxicology; and occupational health services. ExperTox understands there may be emotions and time-sensitive challenges associated with testing. Our supportive personnel, convenient online reporting system, fast test results, and custom testing capabilities make our clients' lives easier. Trust is an important factor when choosing a testing laboratory, and ExperTox is a fully certified toxicological lab and woman-owned business. ExperTox is CAP, CLIA and DEA accredited/certified/licensed, and a member of the Drug and Alcohol Testing Industry Association (DATIA).
