

**ExperTox Again Recognized
by the Better Business Bureau, Winner of Distinction**

Deer Park, TX – May 11, 2010 – ExperTox, a Houston-area forensic toxicology laboratory, was recognized by the Better Business Bureau (“BBB”) with its Winner of Distinction Award at the May 5, 2010 18th Awards for Excellence luncheon. The BBB Awards for Excellence recognizes businesses and non-profit organizations in the Greater Houston Area for their achievements and commitment to overall excellence and quality in the workplace. This is ExperTox's second year to be honored by the Better Business Bureau, presented the Pinnacle Award for Excellence in 2009.

ExperTox supports employers and the medical and legal communities by providing toxicology testing services that improve and strengthen health, wellness and safety. These services include drug, alcohol, occupational exposure and poison testing, as well as therapeutic drug monitoring and other occupational health services.

“We are proud to be a member of the Better Business Bureau and are honored to be a recipient for a second year in a row as a Winner of Distinction for health care services. This award stands for the hard work of our employees, the trust we have established with our customers and the commitment to service and outstanding quality in all the testing services we provide,” states Loretta Anderson, President of ExperTox.

About ExperTox

ExperTox is the Greater Houston Metropolitan Area's single source laboratory solution for toxicology testing services, including drug and alcohol testing; poison and toxic substance testing; forensic toxicology; and occupational health services. ExperTox understands there may be emotions and time-sensitive challenges associated with testing. Our supportive personnel, convenient online reporting system, fast test results, and custom testing capabilities make our clients' lives easier. Trust is an important factor when choosing a testing laboratory, and ExperTox is a fully certified toxicological lab and woman-owned business. ExperTox is CAP, CLIA and DEA accredited/certified/licensed, and a member of the Drug and Alcohol Testing Industry Association (DATIA).
