CAPABILITY STATEMENT

ExperTox, Inc. is a certified woman-owned small business and a nationally-recognized forensic toxicology laboratory. ExperTox has served the Houston-area community and national clients for over 20 years, from providing critical drug monitoring services to Houston's renown medical center to comprehensive occupational health testing to our industrial, oil & gas, chemical and construction neighbors. Our scientific, wbe and small business certifications allow ExperTox to be your vendor of choice for all drug, alcohol, and occupational exposure testing; and other related services while giving your company or agency the benefit of Supplier Diversity fulfillment directly through a laboratory with a proven track record.
